- Experience in statistical analysis and data management is an asset
- Strong organisational skills
- Fast learner, ability to work independently and demonstrate team spirit
- Committed, dynamic, autonomous and proactive
- Sense of humor is an asset

Important – Mandatory Conditions

As per Belgian legislation, a monthly reimbursement (796,91 EUR based on 2019) for expenses on a standard basis is planned. A signed “*Convention d’insertion professionnelle*” (a tripartite agreement signed by Becquerel Institute, the intern and his/her university or college) is required. Prospective interns must fulfill this requirement to apply (please confirm it in your cover letter). Applicants with a scholarship, working on a thesis related to the photovoltaic technology, are welcome to apply.

Application

A CV and a short cover letter should be sent to the management at admin@becquerelinstitute.org. Please quote in subject: “Intern - Business Intelligence / BI / 01 2019” and indicate your availability dates.

Please note that only short-listed candidates will be contacted for an interview. Interviews may be conducted via Skype. No refund of costs associated to travelling for the interview is foreseen.
